Telling OUR STORY

What is YOUR Story?

How have you experienced God's grace during these days? How have you been stretched and challenged to grow in your practice of faith? What is our parish's story? What is God's story? How do our stories weave together and open our eyes to see God's compassionate presence all around us? And how can we build on the richness of these stories and step even more fully into the years to come as a Christian community?
