Photo/Video Use Policy

Grace Episcopal Church believes that photos, videos, and other media play a valuable role in creating connections within our faith community and in helping it flourish and grow. Photos and videos tell our story, provide visitors information and an idea of what to expect when they attend our worship services and events, highlight the work of those who serve, and allow us to better communicate our mission within and outside our parish.

Accordingly, photography, videography, live streaming and other recording may be in progress at Grace Episcopal Church's worship services, ministry activities, classes, programs and other church events. Grace Episcopal Church may use the media recorded at these events in materials produced by or for the church, including but not limited to our bulletins, posters, brochures, newsletters and other printed and electronic materials and digital media (such as our website, Facebook, Instagram, Zoom).

By participating in Grace Episcopal Church's church services, ministry activities, classes, programs and other events: you consent to be photographed, videotaped or otherwise recorded; you grant your permission for Grace Episcopal Church to use recordings containing your image, likeness, voice or statements, without compensation, credit or other consideration to you, for Grace Episcopal Church's promotional, publicity and other purposes; and you agree to release, hold harmless and indemnify Grace Episcopal Church from any liability involving the use of your image, likeness, voice or statements. Grace Episcopal Church will not identify children age 12 and under by name or any other identifying information in photos or videos without prior parental consent.

Unless otherwise indicated, these photographs and audio/visual recordings are the property of and/or are copyrighted by Grace Episcopal Church and may not be used for any purpose (including but not limited to: downloading, printing, distributing, linking) without permission from Grace Episcopal Church. If copyright for a photo/video is held by someone other than Grace Episcopal Church, we will receive permission to post it and gladly provide credit if desired.

Please call 770-536-0126 or write to us at 422 Brenau Avenue, Gainesville, GA 30501 if you have any questions or concerns about our Online Photo/Video Use Policy. Thank you!!
